** the "Individual Gear Borrowing Membership" allows that individual to borrow club equipment for personal use outside of club events, under the conditions of the YCKC's Gear Borrowing Policy.*

Yukon Canoe and Kayak Club Equipment Borrowing Policy

1. The first priority for equipment use is for YCKC programs and activities.
2. Individual YCKC members with a "Gear Borrowing Membership" may borrow club equipment for use outside of club events **AS LONG AS IT IS BACK IN TIME FOR USE AT CLUB PROGRAMS AND ACTIVITIES.**
3. It is the responsibility of the individual borrowing equipment to find out when it needs to be back for the next club program or activity, and to get it there on time.
4. If an individual who has borrowed equipment does not return the equipment in time for use at a club program or activity, that individual will no longer be permitted to borrow club equipment.
5. If you lose, break or functionally damage a piece of YCKC equipment that you have borrowed, you are responsible to pay for its repair or replacement.
6. In general, you can return borrowed equipment at the Yukon River Intake between 6:15 and 6:30 p.m. on Monday and Thursday evenings throughout the summer. You can pick up equipment to borrow at the Yukon River Intake between 8:15 and 8:30 p.m. on Monday and Thursday nights throughout the summer. (You will need to check start and finish dates.) There will be changes to these dates and times when the club does weekend or additional week-day events.
